NATIONAL LEVEL WORKSHOP(ONLINE) REPORT 2020-21

on “CREATION OF INTERACTIVE E-BOOK” - 15th June 2021

Organized by IQAC of the College

WORKSHOP HIGHLIGHTS

During pandemic times, it's a herculean task for the teachers to keep their students interactive and avoid boredom in the online classroom and also this pandemic has slowed down the growth of individual's economy where the students can't afford a book on his own to face the examination. In order to overcome the classroom challenges, the teacher should abreast with the latest technology in the field of education to keep the students more interactive and supply the resource material. The above hurdles can be met out with the simple and powerful idea “E-book” where knowledge sharing is made easy with the help of technology. It provides quality education, easy accessibility where the resources will not evaporate at the end of the examination and reviewed at any time and helps the students to develop the 21st century skills and also the teachers can update the resources according to the pressing needs. This workshop will be helpful for both the teaching and learning community to create their own resource materials.

OUTCOMES

The participants will be able to

- know the importance of E-book in digital era
- comprehend the interactive elements in an E-book
- develop positive attitude towards techno-pedagogy
- create their own interactive e-book for classroom interaction.
