Resource Person

Dr. S. ANDAL
Assistant Professor
Department of Education
Annamalai University

Program Highlights: COVID-19 pandemic has dramatically changed human life particularly students and teachers day-to-day lives. The mental wellbeing of the students and teachers must be sustained in this critical period. The most of the learning, teaching and assessments are through online modes. In this scenario of mammoth changes, there is a strong need to support mental health and wellbeing for students and teachers. Therefore, this webinar may be a kind of support for the participants.

Who can attend the Program:
UG & PG Students, Research Scholars and Teaching staffs of affiliated Education colleges, Arts & Science Colleges and Engineering Colleges.

E-certificate will be issued to all the participants

Dr. K. Rajendran
Chairman

Dr. R. Muthumanickam
Director

Dr. G. Manjula
Principal

Dr. N. Mahalakshmi
Webinar Director

Krishnasamy College of Education, Puducherry organized a National Level webinar on “Digital Well-Being for Online Learning and Teaching” on 4th May, 2021, through online mode.

Programme Highlights: COVID-19 Pandemic has drastically changed human life, particularly students and teachers’ and the day-to-day lives. The mental wellbeing of the students and teachers must be sustained in this critical period. In this quarantine situation, most of the learning, teaching and assessments are through online modes. In this scenario of mammoth changes, there is a strong need to support mental health and wellbeing of students and teachers. Therefore, this webinar may be a kind of support for the participants.

Participants: All graduate & post graduate students, research scholars and teaching faculty members of the Affiliated Colleges and Universities.

All the registered participants are communicated through the WhatsApp group formed exclusively for the Webinar in which the College Director, Principal and Webinar Director were the group administrators. The Agenda of the programme and the webinar link were posted well in advance in the whatsapp group.

The programme was conducted on 4th May 2021 (Tuesday) at 11.00 a.m. in the virtual platform using the Google Meet link. It was started with a prayer song by Ms. K. Jothi Praba, Music Teacher of the college. As much as 100 participants joined the programme by using the link although 140 registered. The Vice-Principal Dr. M. Manjula, addressed the participants and gave the welcome note. The session was inaugurated by the Director Dr. R. Muthumaickam and motivated the participants by pointing out the highlights of the webinar. Followed by the inaugural address, the special address was delivered by the Principal, Dr. G. Manjula and highlighted the importance of the webinar during the pandemic situation. Then the Webinar Director Dr. N. Mahalakshmi, introduced the Resource Person Dr. S. Andal , Assistant Professor, Annamalai University by highlighting her professional achievements and the session was handed over to the Resource Person. The presentation was started by the Resource Person by sharing the slides. The meaning and concept of Digital Well-being shift from traditional to online teaching due to COVID-19, the Pandemic, the need and importance of Digital well-being for the learning and teaching community, measures to develop digital well-being were the key notes presented by her. After completing the presentation, it was open to the participants for interaction. There was a healthy interaction about the theme, the Director, Principal, all the faculty members, and the participants involved in the discussion. The Seminar Committee coordinator of the academic year 2020-21, Mr. S. Deenadayalan, Assistant Professor gave the felicitations and finally the Vote of thanks was proposed by Mr. K. Anand, Assistant Professor. The session was concluded with National Anthem.

The Feedback link was posted at the end of the session and 110 participants sent their Feedback form. The Webinar Certificates (signed by the Director, Principal and the Webinar Director) were sent to all the participants who have sent the feedback forms.
