Cordially invites you for <b>a National Level Webinar on</b> <b>Adapting Inevitable Changes in Education Sector</b> Organized by IQAC of the College			
Resource Person	WEBINAR HIGHLIGHTS		
 <b>Dr. G. NIRMALA</b> <b>Principal</b> Krishnasamy College of Science Arts and Management for Women, Cuddalore	Change is inevitable. In this new era of educational sector, age old practices have to be replaced with new methods that best fit with individual capabilities. A multidisciplinary approach is the need of the hour to create responsible, confident, technically skilled and emotionally intelligent adults. The Indian education system needs to embrace technology keeping a holistic view of innovation for the entire education industry. We aim to unlearn old belief systems and learn new principles to create a path for the educators to present to our future generations.

### **Report of the Webinar 3 – 23.06.2021**

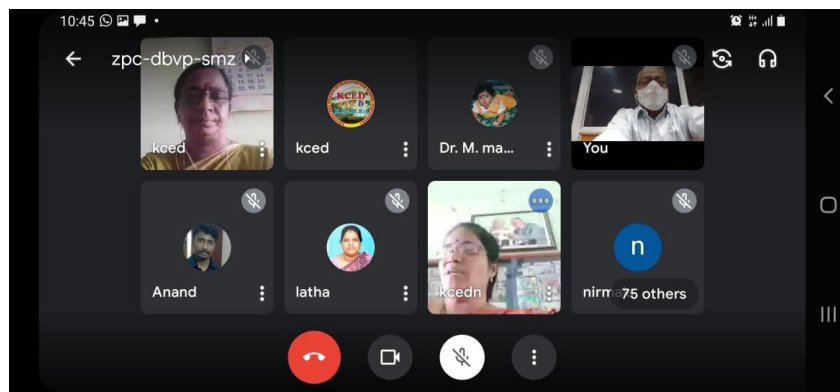

With the constant encouragements and support of our respected Chairman Dr.K.Rajendran, under the guidance of Dr.R.Muthumanickam, Director and Principal Dr.G.Manjula, the WEBINAR was organized in order to enhance a multidisciplinary approach in Education. Therefore, the need of the hour is to create responsible, confident, technically skilled and emotionally intelligent people to form the global society. The IQAC of the college has hosted the webinar on the topic: **“Adapting Inevitable Changes in Education Sector”** on 23<sup>rd</sup> June 2021, Wednesday. **Dr.G.NIRMALA**, Principal, Krishnasamy College of Science Arts and Management for Women, Cuddalore acted as the Resource Person and shared the experiences as the principal of the college and matching the need for changes in the present scenario.

During this webinar, Dr.G.Nirmala, the resource person shared the thoughts & ideas about changes in educational sector, age old practices have to be replaced with new methods that best fit with individual capabilities. The Indian education system needs to embrace technology keeping a holistic view of innovation for the entire education industry. Our aim to unlearn old belief systems and learn new principles to create a path for the educators to present to our future generations. The resource person motivated the participants in the way to improve the skills according to their individual capacities. Further the resource person with video presentation depicted the changes in the present situations which are inevitable. Finally, by referring the quote “Change is the only constant in life. Ones’ ability to adapt to those changes will determine your success in life”, the session was concluded.

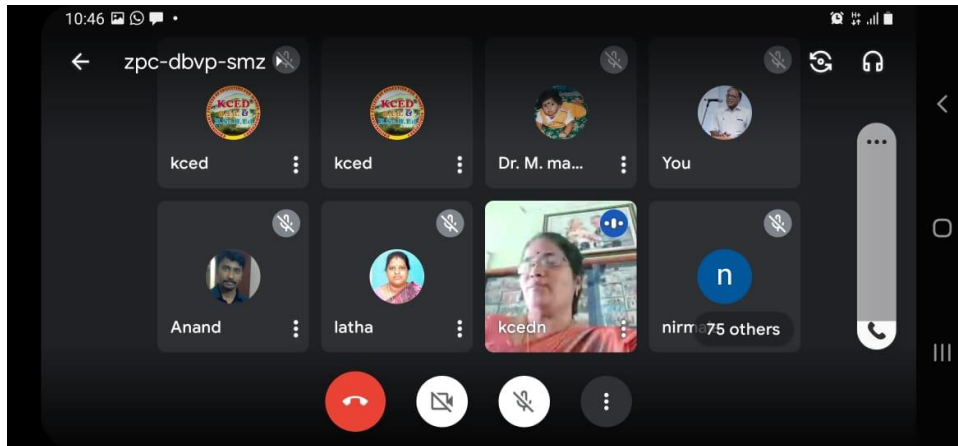

The Resource Person Dr.G.Nirmala, Principal, Krishnasamy College of Science, Arts and Management for Women started the presentation about **“Adapting Inevitable Changes In Education Sector”**, the session was very informative and useful.

For this Webinar, registration link using Google form and whatsapp group was created to register and further communication with the registered participants. The Google Meet ID and password link was created and circulated among registered participants through whatsapp group. UG & PG Students, Research Scholars and Teaching Staffs of Affiliated Education, Arts & Science and Engineering Colleges and Heads and Teachers of the schools in various parts of India numbering 105 participants have actively participated. The programme was started with the prayer song by Mrs.K.JothiPraba, Music teacher and Dr.S.Barathi, the Webinar Director and Assistant Professor in Tamil delivered the welcome address and introduced the resource person to the participants, Dr.R.Muthumancikam, Director delivered the inaugural address.

The Director, Dr.R.Muthumancikam delivered the inaugural address and highlighted the innovation in the Education sector is the need of the hour.

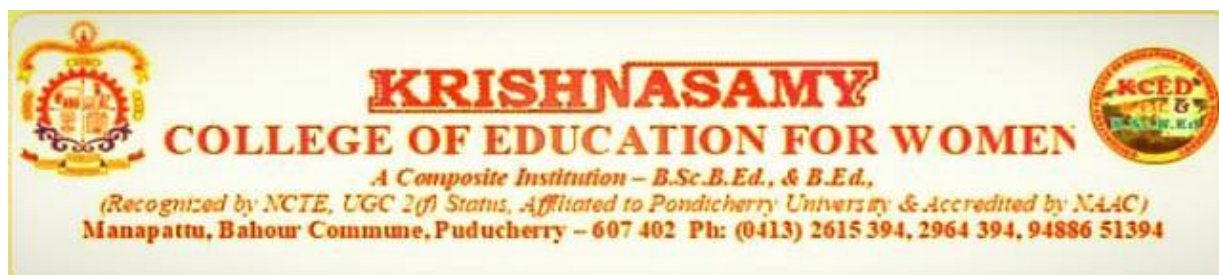

The special address was given by Dr.G.Manjula, principal of the college.

The principal, Dr.G.Manjula in the special address emphasized the need for adapting to the changes in the Education Sector.

After the presentation and discussion with the participants Dr.N.Mahalakshmi, Assistant Professor in English delivered the vote of thanks to the gatherings. The session was ended with National Anthem. The feedback about the session was collected through feedback form posted through whatsapp group from all the participants to improve the sessions that will be conducted in the mere future. The certificates were sent to the individual e-mail address for those who were participated and sent the feedback with thanks and request to join with the college in the future academic endeavours.
