## ABOUT THE COLLEGE

Krishnasamy College of Education for Women (KCEd) was established in the academic year 2005-2006 catering to the needs of Teacher Education for Women. This college provides education, especially for down trodden, socially and economically backward women.

KCEd is situated in the southern edge of French tradition based Union territory of Puducherry. It is in the midst of rural village named as Manapattu, of the Bahour Commune. It is a hop away from the south gate way of Puducherry and the east sea coast, in the East Coast Road.

The Institution has been dedicating itself to the service of society by educating and preparing professionally qualified secondary level teachers for the last 13 years. The College is affiliated to the University of Pondicherry, recognized by the National Council for Teacher Education and accredited by NAAC. The College is also recognized by under UGC 2(f) status. It is one of the best institutions under the umbrella of the prestigious Sri Subbulakshmi Krishnasamy Reddiar Educational Trust in Cuddalore & Puducherry.

The College has a good record of excellence and reputation and has a strong commitment to address to the needs arising from a dynamic and rapidly changing society.

The college is functioning with all infrastructural facilities as per NCTE Regulations December 2014, state-of-art Integrated Resource Centre, Curricular Laboratories, Health and Physical Education Resource Centre(with Yoga Education), Multi-purpose Play Field, ICT enabled Seminar Room and ICT enabled Multi-purpose Hall, Art and Craft Resource Centre, Library-cum- Reading Room and Psychology laboratory.

## NATIONAL SEMINAR SUCCESSFULLY CONDUCTED

2014	Inculcation of Values among College Students.
2015	Achieving Clean India through Educational Institutions.
2016	Means of Securing Youth Power for Disaster Management .
2017	Education in the Digital World.

## ABOUT THE SEMINAR : SKILLS IN EDUCATION AND EMPLOYABILITY

The youth population is fast shrinking with higher dependency ratios in the developed world, India is one of the youngest nations in the world with more than 54 percent of its total population below 25 years of age. It is estimated that there will be 104.62 million fresh entrants to the workforce by 2022 who will need to be skilled. However, institutional arrangements to support technical and vocational education programmes remain quite inadequate.

Formally linking the development of skills in vocational fields, and bringing an academic equivalence to vocational accomplishments with avenues for horizontal and vertical mobility of students has been attempted only recently. To enhance employability, a blend of education and skills is essential for individual growth and economic development. Fostering dignity and social acceptability to high quality vocational training needs increased attention.
