TASK AND ASSIGNMENT RELATED TO THEORY COURSES

The curricular areas of 'Perspectives in Education' and 'Curriculum and Pedagogic Studies' shall offer field engagement through different tasks and projects with the community, the school, and the child in school and out-of-school, based on the respective theory courses. Continuous and Comprehensive Evaluation will be made based on submission of documentary evidences either by individual student or group work for each of the theory courses.

However for each of the theory courses of the curricular area of 'Curriculum and Pedagogic Studies', the practical activities **shall include** practicing **at least three** teaching skills relevant to the pedagogical subject in **Micro-teaching context** during the first year. Similarly, for the course on "Assessment for Learning", the practical activities shall include preparation, administration and interpretation of results of tests and different evaluation techniques.

SCHOOL INTERNSHIP

- During internship in the first year, student teacher shall spend 4 weeks, spread over several days throughout the year. This will include one week of school engagement making observation in the school and three weeks of other engagements as explained in the syllabus. The observation record and/or project report of the student teacher should be the base for awarding CCE marks by the faculty.

- ii. During the second year, out of 16 weeks of internship, student teachers will devote one week for observation of classes taken by regular school teachers (at least 5 lessons in each pedagogical subject). The student teachers will devote 15 weeks for classroom teaching which may be in one block or in two blocks, (in one or two different schools). However, the classroom teaching during internship shall be done at any two levels/stages of school. The internship for graduates must be both at upper primary (classes VI- VIII) and secondary (classes IX and X) and for post graduates, it should be at upper primary (classes VI - VIII) **or** secondary (classes IX and X) and senior secondary (XI and XII) levels. During the internship student teachers will also be engaged in making observation of classes taught by regular teacher (whenever possible) and the peer teachers.
- iii. The internship should be in government recognized schools under Government or private managements, situated within the radius of 40 km of the College of Education concerned for supervision by the faculty members of the college. The schools under CBSE or State / UT patterns can be the schools for internship.
- iv. The student teacher during internship in a school should perform the roles of a regular teacher at the respective level under the direct guidance and supervision of the mentoring teacher (Supervising / Guide Teacher) of the school. While at school, the student teacher shall prepare the necessary teaching resources and records for teaching lessons (duration of 45 minutes each).
- v. The total 60 lessons of classroom teaching in 15 weeks may be divided as 30 at level one (15 lessons for Pedagogical Subject I and 15 lessons for Pedagogical Subject II) and 30 at level two (15 lessons for Pedagogical Subject I and 15 lessons for Pedagogical Subject II). A few lessons may be ICT based depending on resources available in the practicing schools.
- vi. During this period, (i) classroom teaching (ii) evaluation at the end of 15 lessons and (iii) diagnosis based feedback to the students should be completed by every student teacher.

OTHER PRACTICAL ACTIVITIES RELATED TO COMMUNITY BASED ENGAGEMENT

At least one week shall be spent for Community Living Camp to foster social skills and values among student teachers.
