Towards Quality Education

About the college

Krishnasamy College of Education for Women (KCEd) was established in the academic year 2005-2006 to cater to the needs of Teacher Education for Women. This college provides education, especially for down trodden, socially and economically backward women.

KCED is situated in the south edge of French tradition based Union territory of Puducherry. It is in the midst of rural village named as Manapattu of the Bahour Commune. It is a hop away from the south gate way of Puducherry and it is on the East Coast Road. The Institution has dedicated itself to the service of society by educating teachers and preparing professional educators at the secondary level for last twelve years.

The College is affiliated to the Pondicherry University, recognized by the National Council for Teacher Education and accredited by NAAC. It is also recognized by UGC with 2(f) status. It is one of the best Institutions under the umbrella of the prestigious Sri

Subbulakshmi Krishnasamy Reddiar Educational Trust in Cuddalore.

There are six departments namely Tamil, English, Mathematics, Physical Science, Bio-science and Social Science. The college is full-fledged faculty members (10 teaching and 8 non-teaching staff members). All the teaching faculties have completed Ph.D. or / and NET qualification. Most of the faculty members have completed ten years of experience in this institution. The Vision of the College is to emerge as a Centre of Excellence in Teacher Education.

The College has a good record of excellence and reputation and has a strong commitment to address to the needs arising from a dynamic and rapidly changing society.

The college is functioning with one unit of 2 Year B.Ed. programme from 2015-16 the new excellent and rich curriculum of the Pondicherry University is being transacted with well-equipped curricular laboratories and ICT and other resource centers including library and the sports facilities. Every year National Seminar is conducted.

SPECIAL TRAINING ON "GREEN SCHOOL, HOME GARDEN AND ORGANIC VEGETABLE PRODUCTION" 25th Nov 2016

Agriculture is becoming a flourishing field in the 21st Modern World. It's all because of the man in 21st Century is always going in search of the 'techno-world'. This techno-world gives importance to the brain only and not to the whole body. In the sense, there is no fresh and quality vegetables in available in the markets. So in order to get fresh vegetables in the home environment, the Krishnasamy College of Education for Women, ploughed the fields of college to grow the vegetables like – Cluster beans,

French beans, Brinjal, Pumpkin, Greens, Radish, Tomato and Chilies.

The Principal, Student-teachers and Faculty members were Ploughed the field to grow the vegetables.

Mr. S. Parthipan, the Agriculturist cum Ex. Ward Member of Kattukuppam Village gave a speech on how to grow the vegetables in certain climatic conditions and how to prepare organic manures. This was a useful session for all.

Teaching is a very noble profession that shapes the character, caliber, and future of an individual. If the people remember me as a good teacher, that will be the biggest honour for me.

- A. P. J. Abdul Kalam

"Have you ever been at sea in a dense fog, when it seemed as if a tangible white darkness shut you in and the great ship, tense and anxious, groped her way toward the shore with plummet and sounding-line, and you waited with beating heart for something to happen? I was like that ship before my education began, only I was without compass or sounding line, and no way of knowing how near the harbor was. "Light! Give me light!" was the wordless cry of my soul, and the light of love shone on me in that very hour."

- Helen Keller
